STATE BOARD OF RESPIRATORY CARE

IN THE MATTER OF THE LICENSE  
ISSUED TO:

DOLORES MALLOY  
License No. 43ZA00470400

TO PRACTICE RESPIRATORY CARE  
IN THE STATE OF NEW JERSEY

Administrative Action

**INTERIM CONSENT ORDER**

This matter was opened to the New Jersey State Board of Respiratory Care (Board) upon receipt of notice that Dolores Malloy (Respondent) was indefinitely suspended from practicing respiratory care in the State of Pennsylvania, by the Commonwealth of Pennsylvania, Department of State, State Board of Medicine (Pennsylvania Board) on or about October 26, 2005. The Pennsylvania Board indefinitely suspended Respondent's certificate to practice respiratory care since she was found to be unable to practice respiratory care with reasonable skill and safety to patients.

On January 8, 2008, Respondent appeared before the Board for an investigative inquiry to discuss the suspension of her Pennsylvania certificate to practice respiratory care. Respondent testified that she is presently not engaged in the practice of respiratory care in the State of New Jersey. The Board and

Respondent seek to resolve this matter on an interim basis without resort to further proceedings, and recognizing that Respondent agrees not to practice respiratory care in New Jersey until further order of this Board. Respondent represents by her signature on this Order that she cannot return her original New Jersey license and most recent biennial registration to the New Jersey State Board of Respiratory Care, since she does not have these in her possession. The Board reserving the right to take further action, and finding the within Order is sufficiently protective of the public interest and for good cause shown,

IT IS ON THIS 15<sup>th</sup> DAY OF January, 2008, ORDERED THAT:

1. Effective immediately and until further order of the Board, Respondent voluntarily agrees to, and shall cease and desist the practice of respiratory care in the State of New Jersey;
2. Respondent hereby acknowledges and agrees that entry of this interim Order shall not in any way preclude any further action against Respondent by the Board or any administrative or law enforcement entity resulting from Respondent's conduct prior to the entry of the within interim Order.

I have read and I understand the terms of the within Order and agree to be bound by the terms of this Order. I hereby give my consent to the entry of this Order.
